

# Maastricht University's International Staff Week

## 19 - 21 June 2019

Dear Partner,

It is our pleasure to invite you and your colleagues to Maastricht University's **International Staff Week** which will be held between 19-21 June 2019.

The International Staff Week is open to all UM partner institutions across the globe. During the three-day programme, UM will share some of its best practices in areas such as educational innovation, internationalization, employability, diversity and student services.

Apart from lectures, workshops and networking sessions, a number of social activities will be organized, providing participants with the opportunity to experience the city of Maastricht and its surroundings.

It would be great to welcome staff members of your university during our International Staff Week. Please note that due to limited capacity, we will only be able to accept a maximum of 2 representatives per partner institution.

For more information about the UM International Staff Week, the programme and registration, click [here](#).

In case of additional questions, please contact Mr. René de la Fonteijne through [isw@maastrichtuniversity.nl](mailto:isw@maastrichtuniversity.nl).

We hope to welcome many of you in Maastricht in June!
