# **Brexit: how to control the damage by re-engaging in the Knowledge Union.**

WUN Brexit Workshop, Febr. 9th 2017

Jo Ritzen

# Brexit: the mainland is isolated

# Damage

- Money: a loss to the UK *and* to the EU.

- A blow to European identity: working together because of shared values.

# Damage control: new set up of a European Knowledge Union

# Safeguarding European student mobility including the UK

# Safeguarding European research cooperation

Damage control by creating a new  
European institution.
