

The African Child and Youth Migration Network presents

**October
21**

**9:30-10:30
am MST**

**Creating and curating
practical knowledge with
traditional health
practitioners & Indigenous
knowledge holders**

With

Dr. Ramadimetja Shirley Mooa

Dr. Ramadimetja Shirley Mooa is the current head of the Nursing Department since 2020 at the University of Pretoria in South Africa. Before joining academia in 2013, Dr. Mooa was a practising nurse for twenty years in community and primary healthcare. She is a registered nurse and midwife. Her research interest is in women's health, with a broad focus on marginalization and vulnerability.
