

Universities as Key Solutions Providers: Leveraging our Local & Global Networks for Innovation

THURSDAY
NOV. 17

13:15 – 14:45 EET
THEBES ROOM,
BLUE ZONE

WUN
WORLDWIDE
UNIVERSITIES
NETWORK

Universities are accelerators of climate action. Increasingly, through institutional relationships, multistakeholder partnerships, & global university networks, they are developing new research & solutions in response to climate change. This side event will convene a group of university network representatives to demonstrate the sector's influence & impact. [Watch the livestream of the event on YouTube.](#)
